High School Partnership Program

Manchester Parks and Recreation Department
and Highway Department

FOR MANCHESTER

Project Profile and Information

The 2004 Adopt-A-Block Project Committee is organizing over 1000+ center city neighbors, friends, students, youth and civic groups to clean-up designated areas of the city on April 17, 2004. The clean-up will be from 9 a.m. to noon followed by a free pizza lunch for all volunteers held at Veteran's Park in downtown Manchester.

Last year, over 400 volunteers worked together to cleanup more than 60 city blocks and 7 city parks, removing 8 tons of trash from the streets of Manchester.

There are two project areas:

East Manchester

(the area between Elm and Maple Streets and Valley and Bridge Streets); and

West Manchester

(the area surrounding Manchester High School West and Sweeney Park).

There are several ways that you, your company, friends, co-workers, or employees can get involved in this project.

1. You can adopt-a-block financially by making a tax-deductible contribution to the project. For \$100 you can support a team of ten volunteers with Adopt-A-Block t-shirts and the tools necessary to complete the project.

Your check should be made payable to:

FOR MANCHESTER
83 Hanover Street
Manchester, NH 03101

*For Manchester is a 501(c)3 tax-exempt organization.
ID#04-3381940*

"Don't ever think that a small group of people can't change the world, it is the only thing that ever has."

— Margaret Mead

2. You can use the registration form to submit your team and clean up a block or park on the day of the project.
3. Do both! Adopt-A-Block by doing a fundraiser at your place of business and get a team of friends together and work on this terrific project.
